

SEAHAWKS IN EASY WIN OVER TORRANCE, JORDAN

BY GEORGE WHITING

The Redondo Seahawks rolled to an easy triumph in a triangle track and field meet held at Redondo Tuesday with Long Beach Jordan and Torrance taking second and third. Redondo also won the Bee and Cee divisions.

The Seahawks, who placed second in the State meet last year, were led by two cinder flashes, Howard Bugbee and Craig Dixon. Jim O'Toole nabbed the only Torrance victory.

The local Bee team was handed its first loss of the season by the Redondo squad, however, the home town gang is still a threat for the Bay League title as the dual meets are considered as pre-season affairs, the team winning the finals capturing the championship.

Dick Cloward paced the Bees as he cracked his own school record in the shot put with a terrific heave of 51 ft. 6 1/2 inches. Milo Goettsch and Jim Webb also turned in outstanding performances as they pushed the shot put over 49 feet. Goettsch took a twin win in both hurdle heats. Jack Dean, Bee pole vaulter, unceremoniously surprised his opponents in his event as he cleared the bar easily at 11 ft. 10 inches, which is higher than the Tartar Varsity record but two inches from the Bee record.

Ferris and Castillon of the winners turned in sizzling times as they won the 660 in 1:30, and the 1320 in 3:29.

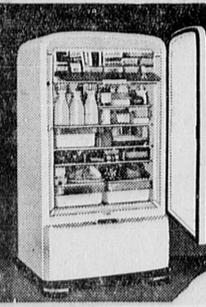

The local Cees, shut out of the win column, were limited to 8 1/2 points by their strong opponents. Bob Chandler of Redondo zipped through the 100 in 10.2.

The Tartars will compete in the El Monte Relays Friday afternoon. The Bees stand a good chance of setting some new meet records.

VARSITY MEET

Summaries:
100—Bugbee (R), Metzler (R), Hinds (J), Cotter (R), 10.1.
220—Metzler (R), Cotter (R), Hinds (J), Meddhan (J), 22.7.
440—Pettis (J), Deffebach (R), Young (R), Timberline (J), 53.
880—Chippman (J), Allen (R), Loper (J), Bredy (J), 2:11.4.
1 Mile—Kealey (R), Cole (J),

440 Relay—Jordan, 48.7.
Final score—Redondo 50 1/2, Jordan 34, Torrance 8 1/2.

Seven-Run Rally Aids Narbonne Whip S.C. Frosh

Narbonne's Varsity defeated the U.S. Frosh 9-8 Tuesday afternoon by scoring 7 runs in the top half of the last inning to over come an 8-2 advantage.

Gauche "Lefty" Pettit allowed 3 hits while John Abbin, the Trobabs chucker, allowed 7 hits. S. C. had 2 errors while Narbonne had 4.

Bob Gazeley knocked in the winning run that brought Narbonne's winning streak to 5 straight practice tilts for Coach Wayne Sloss' Gauche nine.

GAME RECOMMENDATIONS

Recommendations for 1948 game hunting seasons and bag limits will be heard by the California Fish and Game Commission at their regulatory session in Los Angeles April 9 and 10.

Regulations governing quail, pheasants, deer, bear, rabbits, and squirrels will be set by the Commission during the April 29 and 30 meeting in San Francisco. Migratory waterfowl regulations are set by the U. S. Fish and Wildlife Service in July.

HUNTING FROGS

Frog hunting is legal only north of summit of Tehachapi mountain range only, March 1 to November 30. Bag limit: 24 per day, 48 per week. None under four inches. No license required.

Vets' Needs Are Studied

Formation of a committee to study the needs of veterans in Los Angeles and 17 local communities in the County was announced today by Robert H. Craig, Los Angeles' Veteran Service Center president.

The committee was selected at a meeting in the Clark Hotel, Thursday, March 11, of Community Chest officials and veterans service centers' voluntary presidents.

Committee members making the study are: H. C. Johansing, Mrs. Eleanor B. McCreery, Howard Dudley, Robert H. Craig, Elmer Olsen, Ludwig Schiff, T. H. Young, Jack Hurley, M. E. Harrison, and H. W. Ostermier. A. M. Archbold represented the Torrance Area Veterans Service Center at this meeting.

\$5,000 Homes Are Planned

Extensive construction of attractive, well-built houses costing considerably below \$5,000 will be possible by the end of 1948, it was predicted this week by Vern R. Huck, president of the Building Contractors Association of California. He explained that research and construction method experimentation now is being carried on by builders throughout the state and nation in developing plans for low cost housing to fit the budget of the average family. The volume of production of these houses will be restricted only by the supply of materials, labor and available mortgage loans, he said.

Huck said that the association's membership is concentrating on the development of plans

Torrance Schools Well Within Year's Budget

Torrance City Board of Education approaches the end of its first year of existence with its encumbrances on the budget \$53,192 less than allowances made by the board, according to Superintendent of Schools J. Henrich Hull.

The budget allowances were \$464,847 for the year 1947-48, and by the total amount encumbered by the Board is \$411,665, a report showed.

Of the amount unencumbered, \$27,189 is in undistributed reserves and \$9,500 is in general reserves. Total amounts encumbered include contracts and salaries of all personnel through June 30, 1948. The general reserve is supposed to carry the expense of operating the district from July 1 through October at which time a portion of the State support for schools based on average daily attendance is distributed. It is noted that this will require approximately \$40,000, while only \$9,500 was appropriated. The balance will come from other unencumbered monies, it is reported. Following is a table released by the school office showing the status of the various accounts:

FIRST FISHING
To the ancient Greeks goes the credit for catching the first trout in history. A book written by a Greek in the third century, A.D., tells of the Macedonians taking "spotted fish" by use of lures made of wool and feathers. The spotted fish were undoubtedly brown trout and the lures our first record of fly fishing attempts.
For producing good housing, not jerry-built cracker-boxes, at the minimum cost permitted by the cost factors over which they have control.

500 was appropriated. The balance will come from other unencumbered monies, it is reported. Following is a table released by the school office showing the status of the various accounts:

BUDGET CLASSIFICATION	Budgeted Allowance	Total Amount Encumbered (1)
Administration	\$ 30,172.00	\$ 34,850.07
Instruction	244,020.00	244,881.46
Operating of Plant	52,800.00	45,517.41
Auxiliary Agencies	14,105.00	10,896.18
Fixed Charges	11,501.00	12,049.11
Capital Outlay	70,000.00	58,084.88
Total Community Services and Tuition Payment	5,550.00	5,406.00
Undistributed Reserve	27,189.00	
Total Expenditures	\$465,347.00	\$411,665.11
General Reserve	9,500.00	
TOTAL BUDGET	\$464,847.00	\$411,665.11
